DROPOSALS are invited for materials and work Proposals received up to 7th May will be opened at noon of that day, man, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th

Maps, profiles, and specifications of the materials and work to be let will be ready for examination at this office on and after the 20th April not.

April not.

The work to be let will embrace masonry of some of the bridges, graduation, excavation, and embankment of reservoirs, tron pipes contected with the reservoirs, 12-inch iron main, gate houses, bricks, sand, rubble, and cut stone, &c.

For the particular works and materials reference is made to the specifications and plans.

As upon a portion of the line the titles are not yet acquired by the United States, there may be some delay in commencing the work thereon; but for such unavoidable delays due allowance will be made in the time of completion.

Portions only of some of the works can be completed under the present appropriation; but all contracts for unfinished work will be subject to future appropriations by Congress. The engineer reserves the right to prescribe the amount of work to be done and rate of progress under each contract for each appropriation; and in case of the appropriation to tholding out sufficiently, to decide when and what works shall be atopped until funds become available.

In case of the entire stoppage of any particular work for want of funds, the reserved ten per cent, will be paid, if, in the judgment of the engineer, the work has been properly executed so far as it has gone.

Payments will be made in specie checks upon the United States treasury upon the monthly estimates of the engineer, reserving 10 per cent.; and it will be a condition of all contracts that the workmen shall be paid their full wages monthly, and in specie.

All bids abould be scaled, and endorsed "Proposals for work or materials on the Washington Aqueduct."

The United States reserves the right to reject any or all the bids should they not be deemed advantageous, and to make such arrangoments as may be considered most conductive to the progress of the work.

Every ofter must be accompanied by a written guarantee, signed by one or more responsible porsons, t

FORM OF GUARANTEE.

FORM OF GUARANTEE.

To Capt. M. C. Meigs, U. S. Engineers.

We, the undersigned, residents of \_\_\_\_\_, in the State of hereby, jointly and severally, covenant with the United States, and quaranty, in case the foregoing bid of \_\_\_\_\_ be accepted, that he or they will, within ten days after the acceptance of the said bid, execute the contract for the same, with good ands ufficient sureties to perform or furnish the articles proposed in conformity to the terms of the advertisement under which it was made. And in case the said shall fail to enter into contrast as aforesaid, we guaranty to make good the difference between the offer by the said \_\_\_\_\_ and the next

I hereby certify that, to the best of my knowledge and belief, the bove-named guaranters are good and sufficient.

United States Patent Office,

Washington, May 20, 1857.

N the petition of Norbert Rillieux, of New York, praying for the extension of a patent granted to him rather 20th of August, 1845, for an improvement in sugar, for seven years from the expiration of said patent, which takes place on the 26th day of August, 1857.—

It is ordered that the said petition be heard at the Patent Office of Monday, the 17th day of August next, at 12 o'clock, m.; and all persons are notified to appear and show cause, if any they have, why said petition ought not to be granted.

Persons opposing the extension are required to file in the Patent Office their objections, specially set forth in writing, at least twenty days before the day of hearing; all testimony filed by either party to be used at the said hearing must be taken and transmitted in accordance with the rules of the office, which will be furnished on application.

The testimony in the case will be closed on the time.

ance with the rules of the office, which will be infunes as exp.

The testimony in the case will be closed on the 7th of August, depositions, and other papers relied upon as testimony, must be filed in the office on or befare the morning of that day; the argument, if any, within ton days thereafter.

Ordered, also, that this notice be published in the Union, Intelligencer, and Evening Star, Washington, D. C.; Republican, Baltimore, Md.; Pennytvantan, Philadelphia, Par, Daily News, New York, New York; and Post, Boston, Mass., once a week for three successive wets previous to the 17th of August next, the day of hearing.

CHARLES MASON, Commissioner of Fatents.

P. S.—Editors of the above papers will please copy, and send the bills to the Patent Office, with a paper containing this notice. May 21—law3w

Notice Of the removal of the land office from Functice to Boonville, the State of Missouri.

TN accordance with the provisions of the act of Congress entitled "An act authorizing changes in the location of land offices," approved March 3, 1853, it is hereby declared and make known that the office for the sale of public lands at Farzars, is the State of Missouri, will be removed to the town of Booxville, in said State, of our carryle a period as predictable.

Further notice as to the precise time of removal will be issued by the register and receiver at the Fayette land office.

Given under my hand, at the city of Washington, this 18th day of May A. D. 1857.

By order of the President:

THOS. A. HENDRICKS.

Commissioner of the General Land office.

[Intel&ctur]

Ornce Horse or Rerussersaures U. S.,

May 18,1857.
